How does it work?

Dancers arrives in their first costume, picture ready from head to toe.

Check in with BBCA staff outside the studio.

When called, dancer goes inside door #101. No parents inside today!

Dancers get an individual photo taken and then all are in a group photo.

When dancers are done, they are dismissed to parents at door #102.

The bathroom is available for bathroom use only. It is NOT for changing.

We will provide a changing tent with garment racks but highly encourage you to purchase a nude leotard for privacy when changing into multiple costumes.

Want a buddy or sibling photo? Email Beverly ASAP!
